EX-PARTE MOTION FOR LEAVE OF COURT TO HAVE AN EMERGENCY MOTION FOR STAY HEARD EX/PARTE OR ON A SHORTENED RESPONSE SCHEDULE

Argument

Ex parte relief should be granted if the evidence shows "that the moving party's cause will be irreparably prejudiced if the underlying motion is heard according to regular

noticed motion procedures." *Mission Power Eng'g Co. v. Continental Cas. Co.*,
883 F.
¹³ Supp. 488, 402 (C.D. Col. 1905)

Supp. 488, 492 (C.D. Cal. 1995).

Plaintiffs incorporate by reference their First Amended Complaint and exhibits to

the First Amended Complaint (Hereinafter "FAC") as if fully pled herein.

FAC shows evidence of massive elections fraud that requires immediate attention. 1. Affidavits of Computer analyst David Yun shows that there are at least one and a half million invalid voter registrations in the current voter roll of the Secretary of State of California. In order to prevent elections fraud CA Elections Code 2150 require electors to provide their personal information in 8 different areas, such as name, birth date, prior voter registration, state where they were born or if born abroad, a country where they were born. Affidavits of David Yun show that there are 756,213 voter registrations in the Current Voter Roll of the California Secretary

of state without required information on the State of Birth, 898 without the first name, 757 without the birth date and so on. Second affidavit by David Yun shows 685,739 where U.S. or U.S.A. (Exhibit 1 herein, Exhibit 18 FAC) Additionally, an e-mail from the office of the Los Angeles registrar represents an admission against interest of the defendants, where the employee admitted to falsification of records, stating that employees themselves wrote in the registration records "US" where the state of birth was missing. (Exhibit 2 herein, Exhibit 29 First amended complaint)There are 685,739 where U.S. or U.S.A was posted in the records. Even if the employees of the Registrar were not to admit to forgery and falsification of records, these registrations would not be valid, as according to Election code 2150 one needs to fill in a STATE where he was born, not just USA. Only if he was born abroad, the elector can post the name of the country. Based on this one criteria alone, without taking into consideration the other 7 areas of required information there are 1,441, 942 invalid voter registrations, nearly one and a half million invalid voter registrations. Taitz was a candidate for the U.S. Senate in 2012 primary election. The difference between her and candidate Emken, who was second and proceeded to 2012 General election was only 450,000 votes. The number of invalid voter registrations in only one of 8 categories is three times higher than Emken's margin of victory. If an emergency stay of the CA Senatorial General election is not issued, pending removal from the voter rolls of all the

invalid voter registrations and revote, Taitz will be irreparably harmed.

Considering the proximity of the election, ex-parte hearing or an expedited hearing is warranted.

Additionally, both candidates, who proceeded into the top 2 general election: Senator Feinstein and the Republican Candidate Emken were served with the complaint on July 10, when the complaint was originally filed in the state court. They did not respond yet and chose to ignore the complaint believing that no judge will have the strength of character to stay the Senatorial election and that every judge will do what is usually done in elections fraud cases: find some lame excuse to dismiss the complaint. As Senator Feinstein has a much higher number of votes than Emken, the only defendant, who can be affected by the Ex-Parte is Emken, and she had over 2 months notice already and cannot claim detriment by ex-parte. 2. Plaintiff Keith Judd is a Candidate for the U.S. Presidency, who got 40% of the vote in West Virginia Primary. Judd has standing to seek an ex-parte hearing as exhibits 1-35 of the FAC show overwhelming evidence that the winner of the WV Democratic primary, Barack Obama, placed his name on the ballot by fraud and using forged Selective Service certificate, forged birth Certificate and a stolen Connecticut Social Security number xxx-xx-4425, which according to E-verify and SSNVS was never assigned to Obama, but is being used by him as his verification of identity as late as in April 15, 2010, as posted on his tax returns. If

ex-parte hearing is not held, due to upcoming 2012 General Presidential election Judd's rights as a candidate will be irreparably harmed. On the other hand, the only defendant, who would be affected by such ex-parte is Defendant Obama. He cannot be possibly harmed by such order, as he was served here and was served to appear in court in similar cases and he simply arrogantly chose to be in contempt of court and not appear. Exhibit 3 herein represents an order by a Deputy Chief administrative Judge of the State of Georgia, Michael Malihi in response to a motion by Obama to quash subpoenas issued by Attorney Taitz. Malihi ruled in Taitz favor and upheld the subpoenas issued by Taitz for Obama and other officials to appear in court and submit his identification papers. Obama decided to go behind the back of the presiding judge and on the eve of the hearing Obama, through his attorney Michael Jablonski, submitted a letter to the Secretary of State of Georgia, Brian Kemp, asking him to take the case away from the Deputy Chief Administrative Judge Malihi as he (Obama) is supposedly suffers from Taitz. Secretary of State Kemp responded that if Obama boycotts the hearing and does not show up, he is doing so in his own peril. Obama and Jablonski did not show up and did not provide any documents. Similarly, Obama was subpoenaed to appear at the elections Commission hearing in the state of Indiana, where Taitz presented evidence of forgery in his IDs. Obama boycotted this hearing as well. A hearing on the Indiana challenge is scheduled for September 26, 2012, 1:30 pm in the

Indiana Superior Court before Judge Sherry K Reid in Indianapolis, Indiana. Clearly, if Obama had any valid IDs, he would show up for the court hearings or he would have sent his attorneys with required documents. The only reasonable explanation why Obama is boycotting the court hearings, is because he knows that there is no legitimate reason or explanation for his use of a Connecticut Social Security number which was never assigned to him according to E-verify and SSNVS and there is no explanation or justification for hiding the original application for the Selective Service and Birth Certificate, when alleged copies were shown to be forgeries. As Obama boycotted prior hearings and showed a complete disrespect and contempt for the Court of Law, there is no reason to believe that he will act any differently and there is no reason not to grant the plaintiffs their motion for the ex-parte hearing or alternatively a motion for an expedited hearing on the motion to stay Obama's placement on the ballot in general election or certification of his votes for the general election until the original identification papers are examined by experts in light of forgery in his alleged copies.

- Attorney Orty Taitz, who was a candidate for the U.S. Senate in 2012 primary contacted me and orovided a DVD of the CA voter registrations asking to analyze the data.

ORDER ON MOTION TO QUASH SUBPOENAS

Defendant, President Barack Obama, a candidate seeking the Democratic nomination for the office of the President of the United States, has filed a motion to quash the subpoena compelling his attendance at the hearing on January 26, 2012.

In support of his motion, Defendant argues that "if enforced, [the subpoena] requires him to interrupt duties as President of the United States" to attend a hearing in Atlanta, Georgia. However, Defendant fails to provide any legal authority to support his motion to quash the subpoena to attend. Defendant's motion suggests that no President should be compelled to attend a Court hearing. This may be correct. But Defendant has failed to enlighten the Court with any legal authority. Specifically, Defendant has failed to cite to any legal authority evidencing why his attendance is "unreasonable or oppressive, or that the testimony... [is] irrelevant, immaterial, or cumulative and unnecessary to a party's preparation or presentation at the hearing, or that basic fairness dictates that the subpoena should not be enforced." Ga. Comp. R. & Regs. r. 616-1-2-.19(5).

Defendant further alludes to a defect in service of the subpoena. However, the Court's rules provide for service of a subpoena upon a party, by serving the party's counsel of record. Ga. Comp. R. & Regs. r. 616-1-2-.19(4). Thus, the argument regarding service is without merit.

Accordingly, Defendant's motion to quash is denied.

SO ORDERED, this the 20th day of January, 2012.

MICHAEL M. MALIHI, Judge
